Profile

Law school undergraduate with a Master's double degree program in English law and German law with a track record of applying legal knowledge both academically and in assistance of practicing solicitors. During my four years of study I specialised in Banking and Finance law and provided legal assistance for private companies and public institutions. Due to the cross-border profile of my legal experience I have developed the necessary flexibility to solve complex multijurisdictional problems but also improved my communication skills to reflect on the diverse environment of colleagues and clients.

Work experience

Legal Assitant Aug 2019 - Sep 2019

Geo Georgiev LLC, Sofia, Bulgaria

The law firm operates as an in-house legal department of a state-owned enterprise specialising in construction and reconstruction work regarding the transportation industry.

My main responsibilities revolved around communication with state institutions, courts and insurance companies regarding issues with property of the enterprise across the country. I also assisted with by coordinating litigation holds and document productions and also in the research required for the transformation of the state-owned enterprise into limited-liability company.

Legal Assistant Jul 2019 - Jul 2019

Prosecutor's office of Republic of Bulgaria, Sofia, Bulgaria

I performed research per attorney directions, managed routine correspondence, organization of files and other administrative tasks. I compiled reports on anti-money laundering, human trafficking and information security.

Event Manager May 2020 - May 2020

Hanns-Seidel-Stiftung, Sofia, Bulgaria

During my term I participated in the Annual Conference of the European studies Institute of Sofia University - 'Europe live' which included debates on migration policies, populism and climate change. I was rejoiced as our team won the majority of debates since that was done under my guidance as a debate leader. I have also taken part in a working meeting regarding an amendment of the Asylum and Refugees Act. It was especially satisfactory to know that our discussion influenced the legislature to take the necessary action. Lastly, I engaged myself in the Sixth International Conference „EU post 2020 – New Europe in a New World”.

Legal Assistant Aug 2018 - Sep 2018

Deloitte Legal Law Firm (Sofia), Sofia, Bulgaria

I got involved with cross-border issues by doing legal research, drafting, translations. I liaised with clients directly or through memo drafting, making notes of meeting and reviewing legislation as part of the due diligence prior to a deal. I was also given the responsibility to edit the monthly report of the firm for potential clients.

Education and Qualifications

English Law & German Law

Sep 2016 - May 2020

King's College London, London

As a member of the 'Anglo-German Law Society' I assisted the council with preparatory work regarding events. I also participated in the 'King's Global Markets' in which I contributed through helping with research relating to the monthly commercial awareness report.

Master of Laws (LL.M.)

Oct 2018 - Aug 2019

Humboldt University Berlin, Berlin

I specialised in Banking Law and Financial Order, European Corporate Law and Banking and Capital Markets Law. As part of my obligatory education I studied Civil Law and Public Law III. I also participated in the interdisciplinary activity of the translation workshop 'German-Bulgarian Literature'.

Courses

Professional Skills Course on Accounting and Financial Reporting

Apr 2018 - Apr 2018

King's Business School

In the course we focused on understanding financial statements (Income and cashflow, balance sheet), comprehend accruals accounting and the key concepts in investment appraisal. We also examined the key ideas of modern portfolio theory, M&A deals, behavioural finance and market anomalies. In the final test I managed to score in the top three of excellent students.
